Onboarding Questionnaire Filename and Hash	CASAv2 AL1 Onboarding Questionnaire.xlsx b7d6f5bbe50152d4fce5080f8d5179b3343febcc8cad0fbf43e4c36b61b6a8af

Testing Verdicts

PASS	P
FAIL	F
NA (PASS)	NA
INCONCLUSIVE (FAIL)	INC

Assurance Levels

Level	Description
AL0	The developer reviews applicable ADA requirements and confirms their product meets every requirement, then completes a questionnaire to represent their application's compliance with ADA requirements. The developer guarantees the completeness and accuracy of the questionnaire
AL1	The developer provides evidence and statements of compliance to each audit test case. The ADA approved lab reviews the evidence against the requirements. The ADA approved lab does not directly assess the application.
AL2	The ADA approved lab evaluates each audit test case directly against the application. In some cases, the developer may need to provide limited information or code snippets.

Lab Legal Disclaimer

Some controls may have been modified during or after the testing period.

Some controls employed ambiguous language. When presented with equally valid interpretations of a control, NCC Group selected the strictest version unless otherwise directed by Google, Inc.

NCC Group provides no warranty or guarantee that any of NCC Group's services including but not limited to, recommendations, results or assessments will prevent or avoid any future security breaches or unauthorized access to the Application or Developer's networks or systems.

CASA is intended to provide more transparency into application security; however, the limited nature of testing does not guarantee complete safety of the Application. This

independent review may not be scoped to verify the accuracy and completeness of a developer's data safety declarations. Developer remains solely responsible for making complete and accurate declarations in their app's Google listings.

NCC Group further expressly disclaims all warranties and conditions of any kind, whether express or implied, including, but not limited to the implied warranties and conditions of merchantability, fitness for a particular purpose and non-infringement.
